THE SENIOR CLASS

of

MAUMEE VALLEY COUNTRY DAY SCHOOL

presents the

WEATHER VANE

1965

DEDICATION

James W. Donnelly

DEDICATION

Since you came to Maumee Valley four years ago, you have initiated and achieved effective new programs in both academic and athletic fields. We are happy to be one of the first classes to participate in and appreciate the benefits of these.

You have shown a genuine interest in our problems and are willing to help us as both a teacher and a friend. We sincerely wish to thank you for your active leadership, guidance, and interest.

In recognition of your fine qualities, we, the class of 1965, therefore dedicate the 1965 Weather Vane to you, James W. Donnelly.

Class of 1965

LETTER FROM THE HEADMASTER

TO THE CLASS OF 1965

You have made a significant contribution to this successful school year by your fine academic accomplishments and good record in extra-curricular activities. We are also very proud of you for your willingness to participate in The Experimental Program. You will be well-remembered here. Our best wishes for future success and happiness go with each of you.

Gordon T. Schofield

IN APPRECIATION

The Class of 1965 wishes to thank our Headmaster, Gordon T. Schofield, for the guidance and encouragement he has given us. Under his tutelage, we have come to realize more fully the value of knowledge and of our potential.

This year Mr. Schofield instituted an experimental work-study program into the Senior curriculum. This program is not only an honor for us, but also an opportunity to broaden our interest.

We are grateful for an education in the Maumee Valley tradition, and certain of the future rewarding experiences of its students in such an educating process.

VARSITY FOOTBALL

Maumee Valley's 1963 football team was the first one to have a losing record in the last seven years. Lack of experience and size were the two main factors that the Mohawks had to overcome in their quest for a successful season. But too many close defeats spelled out the losing season for M.V. As the season progressed the team gained much needed experience, and they closed the year winning two of the final three games.

The closeness of all the games indicates the excitement of the entire season. Only in one game was the final point spread greater than six points. The narrow margin of the victories and the defeats kept the players fighting down to the last second of the last game. The team maintained a never-say-die attitude throughout the campaign and never quit trying.

Head coach Grace and assistant coaches Deupree and Finkbeiner worked hard with tri-captains Robinson, Fellabaum, and Wittman to improve the undermanned team.

The highlight of the season came when M.V. met Detroit Country Day School in a home game. Maumee Valley entered the contest with a 1-4 record while Detroit had a 4-1 record and had only been scored on once in all five games. The Yellow Jackets sported a varied attack with fast, hard-running backs and an excellent passing game. The significance behind the game for M.V. was that last year's team suffered a 7-6 loss at the hands of Detroit while M.V. had a bigger and more talented team. This year was a complete reversal, however, with M.V. scoring a convincing 12-6 victory to shock the fine team from Detroit.

The M.V. soccer team of 1964, despite a 1-5-2 record, did have a constructive and beneficial season. In winning the season opener against Hudson, and tying two other games, the team showed great promise for the future. The team's strongest point was an experienced defense. Lead by junior goalie Phil Chambers and center halfback Mike Ward, the seasoned defensive unit held opponents to an average of 1½ goals per game. If the offense had been as adept at scoring goals as the defense was in preventing them, the team's record could have been reversed.

Although lack of experience did contribute to the scarcity of goals, greater accent put on defensive play by Coach Donnelly was also a factor. The high point of the season was oddly enough a 2-0 loss to highly ranked Hawken. In this game, all members played at their best and did a creditable job of holding the Cleveland opponents to only two goals on their home field. Bob Simmers, team captain, playing his last soccer game, did exceptionally well.

Standing, L. to R.: Coach Grace, Jeff Bigelow, Joe Johnson, Joe Didier, Bob Hoyt, Dick Steketee, Dave Wicklund, Tom Fine, Asst. Coach Deupree.
Seated: Steve Day, Greg Mentzer, Steve Esquith, Andy Roberts, Don Allen, Jim Fellabaum, Doug Robinson, Tom Kennedy, Tony Knight.

VARSITY BASKETBALL

This was one of the most interesting of any M.V. basketball years. The year was full of surprises and pitfalls as the Mohawks started very slowly, improved tremendously, and then fell back into a season-ending slump. After scoring 58 points combined in two games and after dropping four of their first five contests, the Mohawks came back to crush Hawken, Detroit C. D. S., Grand River Academy, and Grosse Pointe. Then, in two of the last three games of the year, both Hawken and Mason defeated M.V. who earlier defeated them.

Co-captains Andy Roberts and Jim Fellabaum lead the team in scoring with 17 and 15.5 points per game respectively. Andy did most of the rebounding while Jim lead the fast break. Combining with the two captains to round out the starting five were Steve Esquith, Don Allen, and Steve Day. The tallest starter was 6'1", therefore, rebounding was the foremost problem facing the team. With only three players ever playing in organized basketball before, the team was also very inexperienced.

Coach Les Grace must certainly be commended for building a formidable team from what seemed like so little potential. The future is bright with Jim Fellabaum being the only senior on the entire team.

TRACK

The 1964 version of Maumee Valley's track team was probably the best in the history of the school. The team record was 11-0 with first place finishes in Class A in both the Bryan relays and the DeVilbiss night relays with only a second place finish in the league meet marring an otherwise perfect season.

There were many highlights in this track year. At the Bryan relays, Maumee Valley captured every running event held and also netted first place finishes in the high jump and the broad jump. In the largest track meet that M.V. has ever entered, the DeVilbiss Night Relays, the Mohawks finished first in the Class A competition and ninth overall, finishing ahead of much larger schools such as St. Francis, Bowsher and Central Catholic.

Even with such outstanding personnel, few new records were set. Poor weather conditions and our notoriously slow track were contributing factors. However, Dick Browne broke the 440 record by running a 51.0 and Jim Petrarca broke the pole vault record by going up 10'6". Tom Phillipps tied his high jump record with a 5'8" effort.

Maumee Valley's fine mile relay team was undefeated for the second straight year except for the Night Relays in which they took a near second to State Champion Scott. M.V.'s finest miler, Joe Ryan, was undefeated in the mile except for the Relays in which he took a third. Dick Browne and Craig Wolfe completely dominated the quarter mile ranks. They lost only to each other in their four varsity years. Lynn Messnard was undefeated in the half-mile which made four events in which the track men never lost all year. The most improved men on the team were Doug Harder and Andy Roberts. The seniors really made the team go. Of the first twelve men on the track team, eleven were Seniors.

The distance men: Andy Roberts, Tom Belt, Lynn Mesnard, Joe Ryan.

TENNIS

The 1964 tennis season ushered in a new era for Maumee Valley. The Mohawk netters finally got their long awaited tennis courts and then proceeded to have a most successful season.

The team's 4-7 record may not indicate such a successful year but considering the quality and size of teams played, the record means little. This year's team began its season by defeating Libby 3-2, thus winning the first match played on the new courts. Other victories came over Macomber, Start and St. Francis reserves.

The outlook for next year is even better. The team will have five lettermen returning, having lost only two seniors, and also will have some much needed help from new players. Returning will be Captain Rick Zerner, Lee Kaiser, Butch Smith, John Martin, Jeff Smith and Jeff Williams.

Rick Zerner, Greg Mentzer, John Martin, Lee Kaiser play doubles match.

BASEBALL

The 1964 baseball team had a 5-6 record, but the team gained valuable knowledge and experience. With only three seniors in the starting lineup, the team had a balanced attack featuring the hitting of Gary Abrass, D'arcy Dider, Bruce Sweeny, and Scott Steketee; and the fielding of Dean Edwards, Jim Fellabaum, Steve Esquith, and Paul VanGunten.

Coach Seker worked hard with many young players to aid next year's team. The team improved greatly through the year and was never out of contention in any ball game. Lead by the three seniors; Dided, Steketee, and Sweeny, the spirit of the players was excellent throughout the year.

'The season progressed normally with the annual defeats by Grosse Pointe and our wins over Ottawa Hills and Fulton. The high points of the year would have to be the double header shellacking we gave Park and the narrow victory over Hawken. In the Park game M.V. showed its muscles with Dider, Sweeny, and Gary Abrass all connecting for homeruns. The Hawken game was far more exciting as the Hawks won the first game 10-3. The second game was nip and tuck all the way to the last inning with the Mohawks holding a 4-2 lead. It had been raining the entire contest and the rain increased as the inning proceeded. Hawken scored once, but M.V. withstood a last ditch rally to win 4-3 and put an end to a seven game Hawken winning streak.

Three of Mr. Seker's best fielders: Dean Edwards, Gary Abrass, and Steve Esquith.

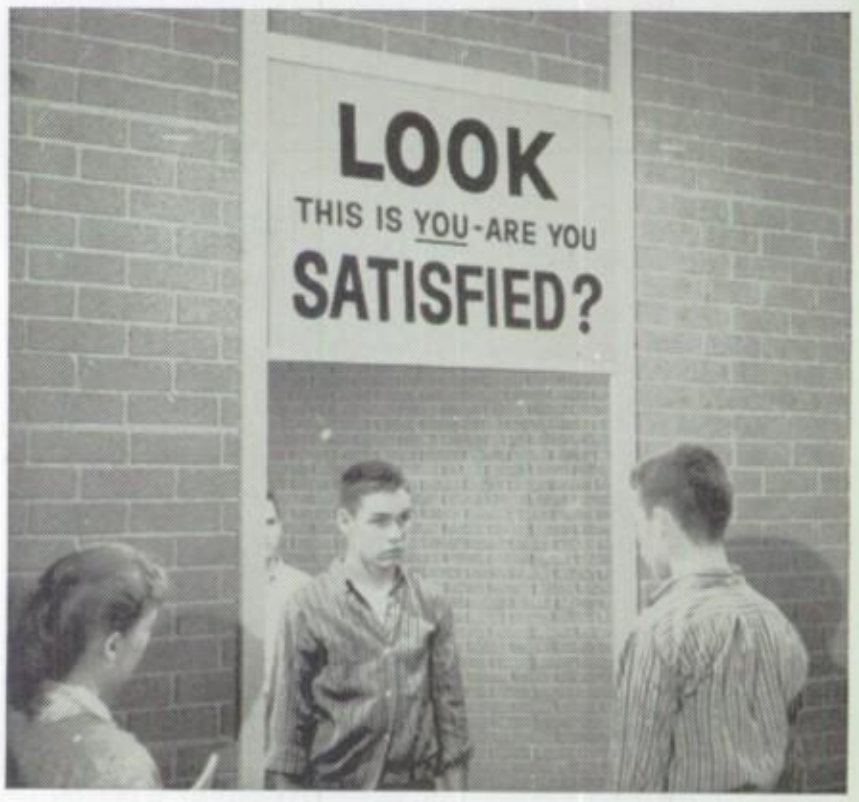
ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead". Teenagers sometimes forget to look at themselves objectively.

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

When *you* buy a mirror, be sure it's made of L·O·F *Parallel-O-Plate®* glass, *twin-ground* for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.



A mirror is a "must" at school . . . at home . . . anywhere. Always check your appearance before going out. It's a good habit to form and others will notice.

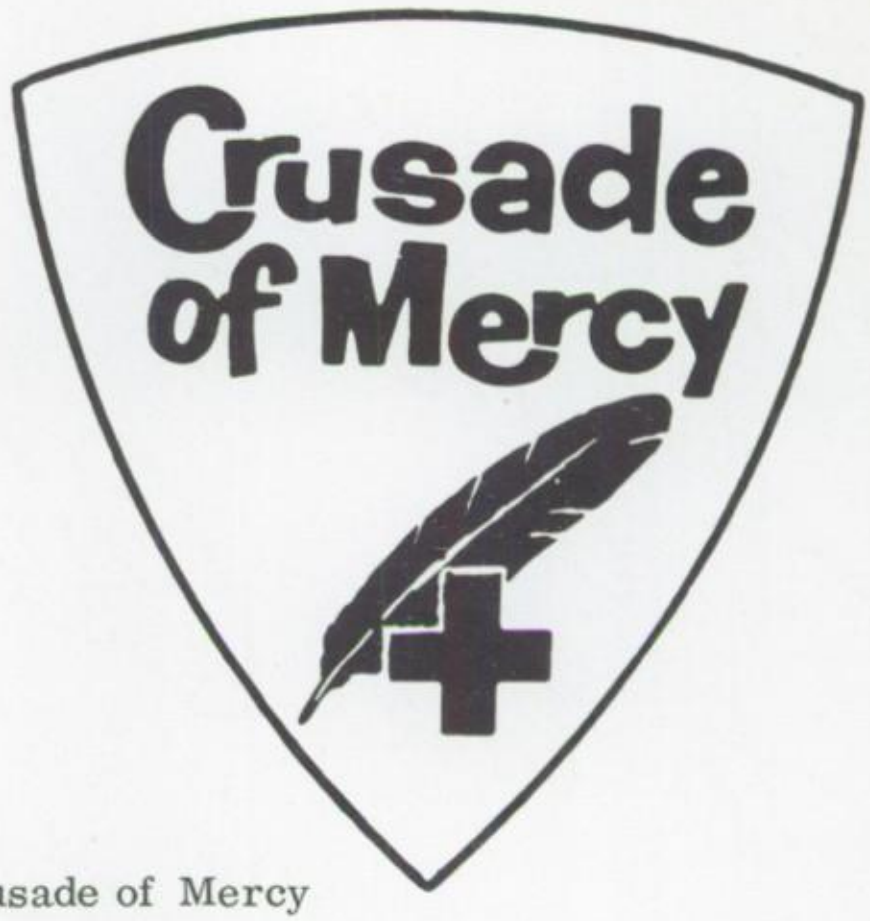
BEHIND THIS SYMBOL



Behind the familiar shield of the Crusade of Mercy is more than just a campaign for funds.

The 60 Red Feather agencies of the Greater Toledo Community Chest and the ten Red Cross service programs are your way of helping others.

Your Crusade of Mercy contribution will be working every day of the year to provide assistance for families in trouble, health services, re-habilitation for the handicapped, recreation and character-building programs for youth, companionship and comfort for the elderly.

Your community is better, happier, healthier, safer because you share. Your One Gift Works Many Wonders.

Tra-la! Sai ici! By the way who are the Frautschi brothers? Friends of yours I presume. I know that you are supposed to fill yearbooks up with all sorts of complimentary garbage so I will! But instead I shall give suggestions. Get your hair cut in a pixie, dye it orange, wear lipstick, sweatshirts + bloomers make you more sophisticated and exciting. There I have said it. Now, for being serious. It really great that you're our S.C. rep. as I always say, a vote for Heidi is a vote for corruption + rumbles + hoodish things. We expect action!

Good Luck. Love, Lyn
